Prepare yourself for a fun evening of Euchre!

6:00pm to 9:00pm at the Fish Bowl

A small fee each week goes towards room rental and prizes, awarded to the top three and to the player with the lowest score. A round consists of eight hands, each player deals twice. The winning team stays at the table and changes partners; the losing team moves to another table and also changes partners. Eight rounds are played each evening.

And remember, order your partner and go alone!
