Snowbird Volunteer

Are you thinking that you wouldn't mind helping out with the Destin Snowbirds in some way? But you don't know exactly what you would like to do or what types of things are available or how much of your time would be required? Tom Franklin is our Volunteer Coordinator and is our go-to guy for this information.

When you come to the Roost to register next season, fill out the back of your registration card and check "Yes, I would like to volunteer". This is not a commitment, but a notice of interest and a request for information. Alternatively, contact Tom. He will maintain a list of opportunities and link you up with a committee chairperson if you would like to do so. There could be things like helping with golf tournaments or other Snowbird activities, selling tickets for events and activities, distributing prizes at meetings, greeting your fellow Snowbirds as they arrive at the Roost, and so on. You may wish to consider a Director position when one becomes available.

Or perhaps you have a new Activity you would like to propose and take a leadership role to get started.

Tom is also in contact with charitable community organizations who may need help. We will post these opportunities as they come up and you can discuss with him.

Thank-you for your interest, we look forward to hearing from you.
